It's time to plan the day you have waited for. You want to ensure that people remember your special day. "People Remember The Music", but more than that, they remember the experience that the host provides.

At Dynamic Sound, we bring **positive energy** to every event, and create moments that will be talked about for years to come. We are passionate about providing quality DJ/AV/Lighting/Photo Booth services for your event.

Dynamic Sound Inc. provides many great services including, but not limited to:

- Interactive DJs that know how to entertain a crowd
- MC services that keep the night flowing smoothly
- Custom itineraries to ensure your event is customized to you
- Online music selection tool to pre-pick music
- Planning forms to keep information organized
- Professional, insured and experienced DJs

Bring an element of fun to any event with a Party Starters Photobooth. This is the perfect gift for your guests, and the perfect way for you to remember them as well!

Styles available are open style, closed style, and many different backdrops are available to fit your theme. Add a DJ Package to enhance your special day. Your guests will thank you!

Using an endless palette of colour options, Dynamic Sound can create the romantic, elegant, or simple look that you deserve.

Add decorative lighting to one of our DJ packages for the ultimate experience in both sound and lighting. Choose from either standard or customized packages.

Monograms and accent lighting are available, as well as our new **Fan Style uplighting**, as seen on the PartyStarter Packages page.

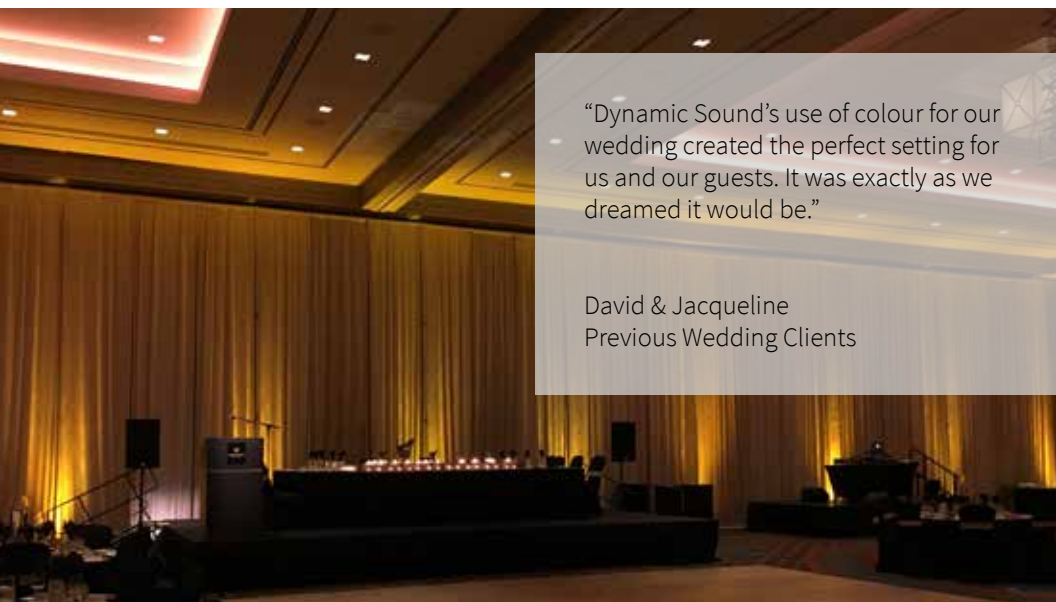

Through our 20 years of experience with various events, we realize that the success of your special evening relies on a few principles.

**PREPAREDNESS:** Our planning forms and constant communication will ensure that you can spend more time on the dance floor, and less time worrying about your event.

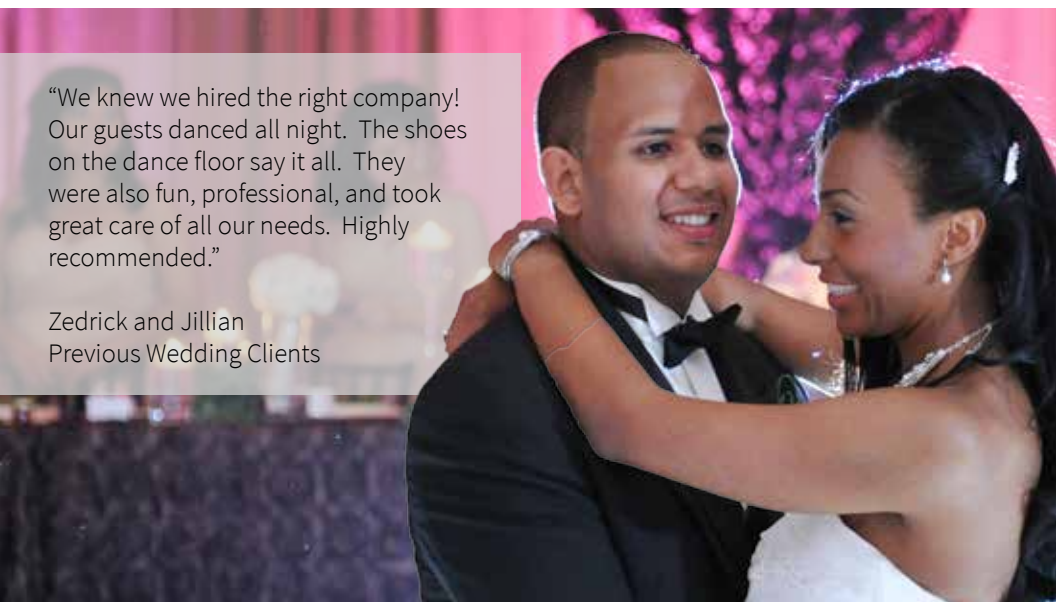

**ORGANIZATION:** We make sure that everything is ready, prepared and pre-tested before your event begins.

**ENGAGEMENT:** Our DJs interact with your guests, to ensure that they are part of the party. We specialize in creating moments that last a lifetime.

“Dynamic Sound’s use of colour for our wedding created the perfect setting for us and our guests. It was exactly as we dreamed it would be.”
